

KTUR | Consortium of 12 universities and schools of applied sciences in the Upper Rhine

Innovation in the Upper Rhine valley:

**MAPPING OF COLLABORATION POSSIBILITIES WITH
ACADEMIC PARTNERS**

Who are we?

A consortium of 12 academic partners

supported by

What do we do?

We develop collaborations between companies and academic stakeholders of the Upper Rhine by helping companies, investors, associations, institutions, entrepreneurs to:

- Elaborate a prototype, a proof of concept
- Access cutting-edge platforms
- Exploit pre-existing innovative technologies
- Create startups
- Develop or co-develop innovations with labs or researchers
- Train your staff
- Recruit new staff
- Become academic patrons
- Find premises
- Develop industrial chairs

Our purpose: improving the competitiveness of companies
